CITY AND COUNTY OF SAN FRANCISCO
REAL ESTATE DIVISION

July 1, 2001

To the Honorable Mayor, Supervisors,
Controller, and the City Administrator of the
City and County of San Francisco:

REAL PROPERTY OWNED BY THE CITY AND COUNTY OF SAN FRANCISCO

Pursuant to the Administrative Code, I have prepared and transmit herewith a report of property owned by the City and County of San Francisco, the Community College District, and by the San Francisco Unified School District.*

This edition of the Real Property Book presents our real property information in a new format. Currently this information resides on our city web page (www.ci.sf.ca.us/realest/). In the near future, we hope to provide this information on a live interactive internet basis, enabling better public access. I want to thank Jeff Johnson of Department of Public Works, Office of Geographic Data Services, for his assistance in compiling this information.

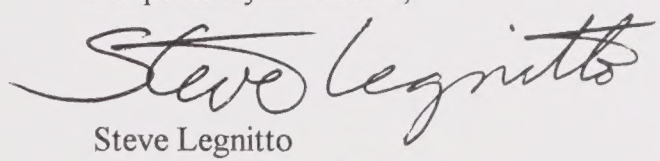
Valuations shown in this report represent historical or book value rather than current market value.

All real properties owned by the City are situated in San Francisco or in other counties in the State of California, as follows:

- Hetch Hetchy in Tuolumne, Stanislaus, San Joaquin, Alameda and San Mateo Counties.
- Water Department in Alameda, Santa Clara and San Mateo Counties.
- San Francisco International Airport, Sharp Park, Log Cabin Ranch School and County Jail in San Mateo County.
- Park and Library lands in Fresno and Kern Counties (Fuhrman Bequest).

Each year the Real Estate Division will complete approximately 150 projects on behalf of various departments. Several significant projects completed during the last year are detailed on the next few pages.

Respectfully submitted,



Steve Legnitto
Acting Director of Property

*NOTES:

Properties under the jurisdiction of the Port Commission do not include dedicated street areas, and the values shown are those carried on Port Commission inventory.

Areas under jurisdiction of the Department of Public Works do not include dedicated street areas in the City and County.

The College District and School District properties are based on historical records and may not reflect the current status.

The property book does not yet reflect the Mission Bay Land exchanges between City, Port, State and Catellus Development Corporation.

San Francisco International Airport – Inbound/Outbound Ramps Project: In November 2000, the Real Estate Division completed a complicated exchange of property between the Airport and Caltrans for construction of the new inbound and outbound freeway access ramp system to serve the New International Terminal. The project also included construction of improvements and modifications to routes 101 and 380 between Millbrae Avenue and 380/101.

30 Van Ness Avenue: By approximately October 2001, the Real Estate Division will have been successful in acquiring this Civic Center office building. This 5-story building contains approximately 181,000 square feet of space. At the time that the purchase agreement was signed, 90% of the building was occupied by 11 City departments and divisions under various lease agreements. According to the Budget Analyst's report, with the purchase of 30 Van Ness Avenue, the City will not only own this 38,123 s.f. site, but is estimated to save over $64,000,000 in rent over the next 30 years.

Central Freeway Land Acquisition for Octavia Boulevard Project: The City's Central Freeway was damaged by the 1989 Loma Prieta Earthquake and voters passed Proposition E, authorizing the Octavia Boulevard Project, a four-lane boulevard to replace the freeway north of Market Street. The Real Estate Division processed legislation for the transfer of 24 parcels of land from Caltrans to the City together with assignment of 14 parking lot leases. The State reserved an easement to operate its freeway south of Fell Street until it completed demolition of the freeway structures in 2002. When all freeway structures are removed, the City will begin its Octavia Boulevard Widening Project. Project funding will come from sales of land not required for the project. The Real Estate Division is working with the Mayor's Office for the sale of 20 parcels of land with a total value in excess of $40 million. Housing will be the primary use for these parcels.

45 Hoff Street-North Mission Neighborhood Park: The Real Estate Division acquired a 10,104 sq ft parcel for the Recreation and Park Department's North Mission Neighborhood Park under its Open Space Program. In response to neighborhood needs, State Assemblywoman Carol Migden secured State funds, and the Real Estate Division negotiated a purchase of the Hoff Street site in a neighborhood with a scarcity of available sites.

Esprit Park: On June 6, 2001, the City acquired Esprit Park in the Potrero Hill District from Esprit de Corp. The park is located on a City block and contains mature trees, shrubs, a running track, benches, picnic tables, fitness stations, walking paths and more than an acre of open, rolling lawns.
